

**2014 OHIO HIGH SCHOOL ATHLETIC ASSOCIATION
SOUTHWESTERN DISTRICT
BOYS AND GIRLS BOWLING – RULES AND REGULATIONS**

Per the decision of the Southwest District Athletic Board, schools assigned to tournament sites in the South (Colerain and Crossgate) will participate in an Open Draw while schools in the North will participate at their assigned site as published in the regulations. Prior to the Manager's meeting on Sunday, February 2, 2014, 1:00 p.m. for girls, 2:00 p.m. for boys, the manager will distribute voting procedures (Open Draw) to each coach. This will allow the coaches participating in the open draw to have their votes in by noon on Friday, January 31, 2014.

Coaches in the north are required to attend the manager's meeting, but they will not be voting on seeds. In the South, the tournament manager will distribute in written form the results of the seed voting of all coaches on the day of the manager's meeting. All ties will be broken prior to the placement of teams at each site. Once ties are broken, schools will place themselves in rank order at the sectional site of choice until the site is full. A coach may choose to pass, and if he does so, the coach of the next seeded team will place himself. Once this happens, the coach that passed will be given the opportunity to place himself. This process will continue until each site is full.

In an Open Draw and non-bracketed tournament (sectionals in South), if a coach does not show up at the draw meeting, the manager will place the team in the sectional with the most open spots. If there is a tie in open spots, the manager will flip a coin to determine placement. This placement will occur in the order as pre-determined by the coaches' votes.

Any team that does not show up at the Manager's meeting will be assigned a site at the conclusion of the meeting. Any school that does not get seed voting to the manager by noon on Friday, January 31, 2014, will not be permitted to vote at a later time. Any school that does not meet voting standards but does attend the manager's meeting will receive the votes that the school received for placement purposes. If a coach is late for the seed meeting and has missed his opportunity to place himself, his absence will be determined as a pass and he will be given an opportunity to place himself once he is in attendance.

By board action, starting with the 2011-2012 tournaments, the coach cannot vote for his school in the seeding process, and the highest and lowest votes for each school will be dropped in the final tabulation.

1. The team format for the Sectional Championships will consist of three (3) games of regular bowling followed by six (6) games of Baker format bowling. The sum total of all team scores will determine teams that advance to the District Championship.
