No team or individual may participate in the Sectional Tournament unless accompanied by a faculty representative from the participating school. The representative's name MUST be listed on the official entry.

All team members participating in the Sectional Tournament must be listed on the eligibility sheet provided to the Tournament Manager by the participating school.

USGA rules govern all play. Participants will be playing "summer rules" and will be playing from the white tees.

OHSAA regulations allow the coach/designee assigned to that event to communicate with his/her players without delay of play at any time except on any green or in any sand bunker.

Slow play, use of profanity or obscenities, abusing the course, throwing clubs, or any other unsportsmanlike conduct may result in penalty strokes and/or disqualification.

Golf carts will be available for coaches only. We want coaches to forecaddie as much as possible. Be sure your team members check hole by hole scores with their competitors immediately after clearing the green of their final hole. Signed scorecards must be promptly turned in to the official scorers following the round. Players must turn in their own scorecard. Rule 6-6b will be in effect. In the event of a tie for team totals, the 5th team member will decide the outcome.

No coach or participant is permitted to use tobacco in any form on the golf course or in the clubhouse. No use of electronic communication devices. The use of range finders are permitted.

Do not leave until you are absolutely sure no team or team member qualifies for the District Tournament. Information for the District Tournament at Beavercreek Golf Club in Beavercreek, Ohio.
