

OHIO HIGH SCHOOL ATHLETIC ASSOCIATION - SOUTHWEST DISTRICT

2018 DIVISIONAL GIRLS FAST PITCH SOFTBALL RULES AND REGULATIONS

1. **A meeting for all participating coaches will be conducted on Sunday, April 29, 2018, 2:00 p.m., at a pre-determined site. Coaches are expected to attend this meeting. Mailings to all participating schools will take place no later than April 20, 2018. Rules, regulations, and the online seeding process will be explained in the mailing.**
2. Shoes are required equipment. Shoe sole or heel projections other than the standard shoe plate are prohibited. Metal toe plates and metal cleats are permitted. However, metal cleats cannot be L-shaped. Cleats must be rectangular and not extend in excess of $\frac{3}{4}$ inch from sole. Detachable cleats are permitted if the cleats screw into the sole of the shoe.
3. If a coach is male, it is recommended a woman (non-high school student) should accompany the team. This does not have to be a faculty member.
4. All teams in the sectional tournament will be seeded. This seeding will determine the team's entry onto the bracket.

Seeding process. Per direction of the State Board of Control, all teams in a bracketed tournament will be seeded. The manager will distribute voting procedures and materials to each coach in a mailing no later than April 20, 2018. This will enable each coach to vote and have the votes back to the tournament manager by Saturday, April 28, 2018, 12:00 p.m., before the manager's meeting on Sunday, April 29, 2018, 2:00 p.m. The manager will distribute to each coach at check-in the results of the seed voting. All ties will be broken prior to the placement of teams on the bracket. In Open Placement tournaments (formerly Open Draw Tournaments) or tournaments involving two or more sectionals in which schools go to the sectional of their choice, the team may go on any bracket provided that the bracket is open and it is that coach's turn.

By board action, starting with the 2011-2012 tournaments, the coach cannot vote for his school in the seeding process, and the highest and lowest votes for each school will be dropped in the final tabulation.

By board action, starting with the 2013 spring tournaments, a coach that does not vote in a bracketed tournament loses his highest score, second highest score, and lowest score prior to final calculation.

Per action taken by the State Board of Directors, all electronic devices are to be shut off at the beginning of the seeding meeting.

Per action of the State Board of Directors, the following fine structure is in place:

- a) Failure to submit seeding information when prescribed by OHSAA guidelines. Fine of \$50.00.
- b) Failure to vote in online voting process to determine seeding. Fine is \$50.00.
- c) Failure for coach, administrator, or authorized team representative to attend the tournament draw meeting. Fine is \$50.00.
- d) Failure to show-up for tournament contest / refusal to finish contest which has been started and suspended for any reason is a fine of \$150.00 plus cost of officials, site expenses, and team expenses incurred by opposing team, except pre-sale ticket revenue.

Once seeds have been determined for each team in the tournament, the seeds will go onto the bracket in order of seed. The first seeded team will go on followed by the second seeded team. Any seeded team may choose to pass, and if does so, the next seeded team will be given a choice to go on the bracket. After a seeded team goes on the bracket, the seeded team that passed will again be given an opportunity to go on the bracket. This process will continue until the bracket is filled.

Any team that does not show up at the tournament manager's meeting will go on the bracket last. Any school that does not get seed voting to the manager by Saturday, April 28, 12:00 noon, will not be permitted to vote at a later time. Any school that does not meet voting requirements but does attend the placement meeting will receive the votes that the school received for the seeding process and will be seeded accordingly. If a coach is late for the seed meeting, and has missed his opportunity to go on the bracket, his absence will be

determined as a pass, and he will be given an opportunity to go on once he is in attendance.

Per recommendation by the Coaches' Association and adoption by the District Board, the first two rounds of the sectional tournament will be played on the field of the highest seeded team. The home team must have a regulation field and be able to charge admission to the game. If the aforementioned expectations cannot be met, then the team must forfeit its right to host the game and the opponent will host. If the hosting team cannot play on its field because of inclement weather, it retains the right to host on the makeup day. If it cannot play on its field on the makeup day but the visiting school can play, the contest will be held on the visitor's field. District semi-finals will be held on a neutral field, and the highest seeded team will still be the home team.
