TRANSPORTATION MEMO

Please share this information with your bus driver. Due to the fact that Lebanon is in session until 2:35 p.m. and we only have one entrance/exit for dismissal, I am asking that you follow these directions and adhere to the time schedule.

Drop off Time: ONLY BETWEEN 1:30 – 2:00 p.m. Please do not arrive before 1:30 or after 2:00.

Route: Enter the south entrance off Drake Rd. to the Lebanon High School property. This entrance is before the main entrance to the LHS. Follow back behind the maintenance barn and approach what is the backside of the building. We will have a sign on entrance door #14.

Following the drop off, please have your driver exit the property following the road back out to the entrance until 3:30 p.m. At that time, they can re-enter the same way and park in the lot. The driver can gain entrance to the building by walking around to the north side entrance.

May I suggest that once the driver has dropped off your team he/she can turn left out of the entrance back on to Drake Rd. Proceed through the stop light and there is an empty lot up on the left hand side of Drake Rd. near a Kroger's, or there is a parking lot when Drake Rd. ends into Columbus Ave.

Thank you in advance for your cooperation with this issue. Any deviation will cause problems for all concerned.
